4. Fee Payment

You can make an online payment for your school fees or lunch account ANYTIME in the payment section of your child's account. SCSD2 will also accept cash or check payment for fees at registration or during the school year (for lunch accounts.)

5. Create/update your Push Notification Profile.

This is a CRUCIAL step. **If you don't customize your profile, you won't get notifications.** Use your child's name as the account nickname (otherwise you won't know which student has generated the contact!!)

Select the information you want to receive **AND** the frequency you want to receive it!

RECOMMENDATIONS-

Request notice on unexcused absences
Request notice on tardies

Request a letter grade notification
What course grade should trigger notice?

Request notice on discipline
This is important! If you don't select this you will not know about warnings, detentions, or suspensions!

Request lunch balance and set your dollar limit.

Request overdue book info if you want that.

Determine **how** you want to be notified!

Do you want email? Or text messages?
Or both?

Choose as many as you want!

Determine the **frequency** of contact.

Hit Save.

You can EDIT this profile at any time in your Harmony Family Access profile!!
