

VFES BRAVE FAMILIES

VIENNA-FINLEY ELEMENTARY SCHOOL PTO NEWS

FEBRUARY 2019

MEET THE VICE PRESIDENT!!

Stephanie Gricius is our PTO Vice President. She is the Human Resources Manager at Scott Memorial Health and has been there since 2015. She has worked in the healthcare field since 2006. Her husband Mike, is a CPA at Blue & Company. Their daughter, Sophie is a 5th grader at VFES and their son, Ian is a 3rd grader at VFES.

Stephanie enjoys reading, shopping, traveling and spending time with her family. Most of her time is spent in a basketball gym or a baseball field and she wouldn't have it any other way!

"As a working mom it's hard to be involved during school hours but being part of the VFES PTO allows me to still be a part of the planning process and to help out when I can. The Fall Festival has always been our family's favorite and this year was no exception." said Stephanie. "My kids definitely look forward to the haunted house and jail next year!"
