Their daughter, Lydia, is a 7th grader at Scottsburg Middle School and former VFES student. Their son, Michael, is a 4th grader at VFES.

Tammy enjoys reading, boating, camping and golfing with her family. Tammy has been the Box Tops Coordinator for the last 4 years. She has also helped with Santa Shop since it started several years ago.

"The Holiday Shop is one of my favorite things that we do!" said Tammy. "I love to see the kids' excitement as they shop for their families."

"Working around 30 hours a week has enabled me to volunteer and be a part of the VFES PTO," said Tammy. "I love helping at school! My kids have enjoyed seeing me there. It has helped me to get to know other parents and teachers and I've made some great friends this way!"
